## Témoignage de David

«J'ai fait la plupart de mes heures au CDI du lycée. Là-bas, j'aideais les deux professeures documentalistes à organiser des expositions sur la culture, la littérature mais aussi l'actualité. Je m'occupais de ranger des livres et de mettre en valeur quelques livres et écrivain·es. Je soutenais quelques élèves avec leur devoirs d'allemand. En dehors de ma mission au CDI, j'ai accompagné plusieurs profs d'allemand dans leur cours en proposant différentes activités aux élèves. En classe prépa, j'ai même pu planifier mes propres cours où j'ai surtout essayé d'encourager les élèves à parler l'allemand.

Cette année, j'ai appris à activement prendre les choses en main. Si quelque chose me dérange ou me rend insatisfait, je suis la première personne qui peut le changer. Une chose que j'emporterai certainement avec moi, c'est d'apprécier la valeur de la réflexion.

Que ce soit l'autoréflexion sur le travail que je fais, la réflexion commune sur des problèmes et projets divers ou même l'analyse des raisons pour lesquelles certaines choses fonctionnent et d'autres pas.

Si j'ai pu apprendre ce concept, c'est surtout parce que j'ai découvert l'éducation non-formelle.»

## Témoignage de Domitilla

«J'ai pu mener des ateliers artistiques et faire des lectures collectives dans des centres sociaux, présenter des livres en maison de retraite, lire des livres en crèche.

Au bureau : préparer des listes de livres pour les maisons de retraites, ou des listes de dons de livres pour les centres sociaux, rangement, lecture, préparation pour présentations et pour les ateliers.

J'ai appris beaucoup de choses, notamment à gérer un groupe d'enfants ou adultes et à travailler en équipe. Mais aussi à utiliser certains logiciels et plein d'idées d'ateliers culturels. Je me sens plus autonome.

Je recommande cette expérience à tout le monde.

Au début j'avais peur de ne pas être à la hauteur mais en fait je me trompais.

En outre, en tant que volontaire, on n'a pas trop de responsabilité, ce qui fait qu'on peut travailler tout en apprenant sans se sentir mal à l'aise.

A travers ce volontariat j'ai amélioré mes capacités de travail en équipe et j'ai cumulé le maximum d'expériences possibles pour pouvoir les réutiliser dans un futur travail. Ça a changé mon regard sur les bibliothèques, ça m'a donné de la confiance en moi-même.»

## Témoignage de Lola

«La mission à Éclat de Lire est une découverte de la littérature jeunesse au cœur de la société manosquine. Les actions se déroulent principalement dans deux espaces différents : le bureau et le terrain.

Dans le bureau j'aide à l'organisation, l'actualisation du catalogue, le contact avec les bénévoles, le stockage de la bibliothèque..

Une grande partie de mon volontariat se déroule sur le terrain : la bibliothèque de rue chaque mercredi dans les différents quartiers, la lecture à la crèches avec les tout petits, la lecture à la maternité, l'aide dans les différents ateliers avec l'illustratrice en résidence, etc.

Avec le Centre Jean Giono, principalement, ma mission consiste en la création des ateliers sur les expositions temporaires que le centre offre pour tout public.

L'objectif des ateliers est d'approcher les jeunes, les écoles et lycées au centre et à la figure de Jean Giono.»

### Témoignage de Selin

«L'ALPA est une association qui aide aux gens dans le besoin à trouver un logement moins cher.

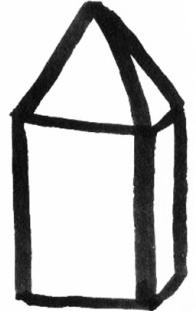

Ensuite, les travailleurs·euses sociaux·ciales de l'ALPA organisent plein d'événements collectifs pour socialiser ces personnes accompagnées. Moi, je participe à tous les événements pour rencontrer ces gens et comprendre mieux leurs besoins, leurs demandes.

Puis, je communique avec les travailleurs·euses sociaux·ciales et les personnes accompagnées pour chaque étape d'un nouvel événement convivial.

Je prépare des affiches, j'envoie des mails, des textos, je fais des appels pour faciliter la participation.

De plus, je participe à la communication interne qui crée une newsletter mensuelle de l'ALPA à destination des salarié·es, des personnes accompagnées, des partenaires, des bénévoles...

Dans cette équipe, on réfléchi ensemble sur le contenu et je suis responsable de la mise en page de cette newsletter.»

### Témoignage d'Amalia

«Cette année, j'ai appris à être plus ouverte aux nouvelles idées et j'ai rencontré de nombreuses personnes différentes.

Je suis devenue plus tolérante, mais d'un autre côté, je suis devenue beaucoup moins tolérante à des choses auxquelles je n'avais pas forcément prêté attention auparavant comme la xénophobie, le sexism, le racisme.»

### Témoignage de Linda

«Je recommande cette expérience vivement, sans hésitation, à tout le monde.

C'est une possibilité d'apprendre pleine de choses, sortir de votre zone de confort et affronter vos peurs! Vous allez avoir plus confiance en vous, lorsque vous comprendrez que peut-être il y a beaucoup de difficultés, mais c'est la vie!

À mon avis, il faut toujours essayer une nouvelle chose dont tu n'es pas sûre à 100%, c'est plus excitant, que faire la même chose que tu connais bien!

Je peux dire que je suis devenue plus indépendante, organisée, responsable et j'ai plus confiance en moi.»

## Témoignage de Caterina

«H.A.S est une maison relais : c'est une structure qui offre un logement et des services sociaux aux personnes en grave difficultés socio-économiques.

Cette mission est liée à deux maisons relais de H.A.S toutes deux dédiées aux femmes.

Je passe mon temps avec une équipe formée de deux éducateurs et d'un coordinateur.

Les deux maisons relais sont au centre-ville (à seulement 10 min à pied l'une de l'autre) et j'habite l'une d'elles.

La plupart des activités sont axées sur le temps passé avec les habitantes : partager le petit-déjeuner, participer et organiser de nombreux ateliers, sortir au théâtre, accompagner les femmes dans leurs activités individuelles.

Pendant le projet, il y a aussi la possibilité de développer une intervention personnelle en fonction des besoins des femmes.»
