At the end of the Service, new skills acquired by the volunteers will be recognized through the Youth Pass certificate.

From Urban to Rural is a long term ESC project which takes place in the mountain region of Madrid. It was elaborated together with workers of Town Hall of Lozoyuela who will be responsible to give tasks to the volunteers. In general, there is a wide range of activities in different fields depending on what the volunteer can and wants to do. New ideas and initiatives are always welcome. During the summer season De Amicitia organizes around 40 workcamps/youth exchanges and other projects and will need the support of ESC volunteers to:

- Be a camp leader: mainly leading a workcamp. Candidates with experiences will have priority in the selection process
- Be a supporter of a workcamp: supporting the camp leader or promoting any of the campaigns in which De Amicitia is involved. Open mainly for a volunteer with low or no experience in workcamps

To support or lead workcamps they will start participating in a workcamp as normal volunteers or get a training immersed in our activities, getting to know the way we work and prepare themselves for their project, participating in practical and theoretical training.
